### CAUTION - EXTERNAL:

TO: THOSE SHOWN AND TO THE OVER 150 OTHERS SENT THIS Bcc

Thank you, Elizabeth, and our new US Attorney for NM Mr. Uballez

As Judge Browning realizes by now, Monitor Ginger and his team has continued since 2015 when the APD reform agreement/CASA was signed to rip off us taxpayers with his seemingly never ending promised it will take a (profitable for me) "marathon" to reform APD.

After last year's two-year irresponsible extension of his contract, Ginger again claims in this latest IMR-15 that while APD is progressing, it is still not fully in operational compliance. Since Mayor Keller is seemingly too corrupt and/or gutless to fire APD Chief Medina and/or send Ginger and his team packing, next year Ginger is expected to ask for even more time and millions to finish his never-ending taxpayer rip-off job.

You folks with the DOJ here also seem to be enablers of this con artist Ginger as seemingly is Judge Browning.

Why would anybody waste their time reading Ginger's full report or attending his briefing on July 26 by Zoom?

Lt. Col. USAF retired-Vietnam vet and former 9-year neighborhood association president here who won't suffer fools gladly
